

# State Athletic Championships

Last Friday 9 students, the largest contingent ever from St Aloysius, travelled to the Catholic Schools Athletics Championships in Polding, participating in 10 events.

Students competed against athletes from all over the state. Competing with sportsmanship, grit and determination, representing our school and diocese to the best of their ability.

It is an incredible achievement to make it to this level of competition and all students achieved success, we at St Aloysius are very proud of each and every one of them.
