DISCOVER ST BEDE'S

St Bede's Catholic College, Chisholm is a brand new co-educational College in the Diocese of Maitland-Newcastle. Set within the growing suburb of Chisholm, St Bede's opened in January 2018 for Year 7 students and will expand with the view to eventually become a Year 7 to 12 school catering for 1,000 students. St Bede's is excited to get to know and guide families in their journey at the College.

St Bede's Open Evening is a chance for you to learn more about our vibrant College community and what it has in store for students in the coming year. The event will be held during Catholic Schools Week and is open to all prospective families interested in enrolling their children in Year 7 for 2021. The evening will give families a chance to meet the College Principal and teaching staff and also discuss learning and wellbeing at St Bede's. After a musical performance from current students and a short information session, families will be invited to explore our modern student learning spaces. Light refreshments will be provided along with information folders and a special St Bede's showbag.
